Happy Thanksgiving

Paul Johnson

Life member Paul Johnson is very likely our oldest member having joined shortly after WWII. Paul may also be our oldest member having turned 90 on September 17th.

This should have been in either the September or October newsletter but I found out about it while driving Paul home after the September 16th meeting. By the way, this is the sort of information I would like to have **before** the event—thank you very much. It should be noted that Paul will again man the registration table at Filatelice Fiesta for all three days. That does **not** mean that some help would not be welcomed—it **would**.

Thank you Paul and we all wish you a Happy Birthday, even though it's belated, and hope there are many more to come.

Carolyn Johnson

Carolyn Johnson is our newest member having joined at the October 21st meeting. Please help make her feel welcome and introduce yourself to her at the next meeting.

Carolyn's collecting interests are Hawaii, Canal Zone and stamps on stamps.

December Meeting

There will be no second meeting on December 16th—only the first meeting on December 2nd is scheduled. We would normally have our Christmas pot-luck on the second meeting but will have it on the second Wednesday, December 9th—again, with the San Jose Post Card Club. This has proved a great success and there is no reason to stop it now. Maryann Stanfield will once again co-ordinate the menu. It's imperative you contact her at 408.747.1653, to find out what the food dish needs are.

Filatelice Fiesta

Once again I want to stress how very important it is for you to help at Fiesta. Mounting of exhibits will begin at 1 PM on Thursday November 12th and dismounting at 3PM on Sunday November 15th.

During the show help is needed at the youth table and with the Boy Scouts. You don't have to know the requirements for the scout merit badge—just about stamps, so you may impart some basic knowledge to these young men about collecting. You need not to be technical, in fact that is not wanted—just very basic knowledge to help them get started.

Linn's

The Fremont Stamp Club is once again ordering/renewing Linn's. The first order is full price with every order after that at half price. The price is averaged with the number of orders we have to determine the price. The more that order, the lower the price. I believe it was \$26.85 last year—which is a good savings.

Get a check, in the amount of \$30, made out to Jim Sauer, plus a copy of your Linn's mailing label to Jim by December 10th. The difference will be refunded back to you.

If you're subscribing for the first time then your mailing address where you want it delivered must accompany payment.
